Sachin Purushottam Pande

Managing Director

Dear Shareholders,

It gives me immense pleasure to welcome you all to the 29th Annual General Meeting of Virtual Galaxy Infotech Limited, and to present before you our performance for the financial year 2025-26.

This year has been a landmark year in many ways. We delivered strong financial performance with total income of over Rs. 183.33 Crores and profit after tax of approximately Rs. 46.09 Crores, driven by robust growth across our core banking, digital payments, infrastructure intelligence and e-governance platforms.

During the year, we strengthened our order book with marquee wins – including our international software development agreement with Botswana Development Corporation, strategic mandates from Mizoram Cooperative Apex Bank for UPI 2.0 and C-SOC solutions, and a large systems integration project under the SMART programme of the Government of Maharashtra.

We also continued to invest in the future – by expanding our data centre capabilities, accelerating product innovation in AI-led infrastructure intelligence, cyber security, Virtual Vaani conversational AI, and deepening our digital payments stack through V-Pay and Transact Core 360.

The successful utilisation and reallocation of IPO proceeds, including the acquisition of land at MIHAN SEZ, Nagpur, is a strategic step towards building a world-class technology campus and data centre infrastructure that can power the next decade of our growth.

On the governance front, we remain committed to transparent disclosures, timely compliance and strengthening our Board and Committees in line with SME listing norms. We are also enhancing our investor communication, including through the appointment of NeoAtlas Capital Advisory LLP as our Investor Relations Consultant.

As we look ahead, our strategy is clear – to scale our platforms across BFSI, government and enterprise customers in India and select international markets, to deepen recurring revenues from mission-critical deployments, and to maintain financial discipline while investing in innovation and talent.

I take this opportunity to thank all our shareholders, customers, partners, bankers, employees and regulators for their continued trust and support. INDEPENDENT AUDITOR'S REPORT

To,
The Members of Virtual Galaxy Infotech Limited
(Formerly known as Virtual Galaxy Infotech Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **Virtual Galaxy Infotech Limited (Formerly known as Virtual Galaxy Infotech Private Limited)** ("the Company"), which comprise the standalone balance sheet as at 31st March 2026, and the statement of Profit and Loss, and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its Profit and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis of Matter (EoM)

1. We draw attention to the **Note 2.38** of the Notes to Accounts of the Financial Statement which states that the Company was listed on **19th of May 2025**, on **National Stock Exchange's Emerging Platform** subsequent to the reporting period.

2. We draw attention to the **Note 2.39** to the financial statements that the Company has amended its Object Clause pursuant to the approval of the shareholders at the Extra-Ordinary General Meeting held on September 29, 2025. Through the said approval, the shareholders authorized the revision and reallocation of the utilization of funds, whereby an amount of

₹630 lakhs has been earmarked towards capital expenditure for the acquisition of leasehold land at MIHAN SEZ, Nagpur, and ₹2,796 lakhs towards meeting the Company's working capital requirements, in accordance with the applicable provisions of law and regulatory requirements.

3. We draw attention to **Note 2.41** to the financial statements which states that the Company declared an interim dividend of ₹248.69 lakhs for the financial year ended March 31, 2026. Of the said amount, dividend aggregating to ₹1.88 lakhs remained unpaid as at the reporting date. The Company has subsequently paid the outstanding dividend in accordance with the provisions of the Companies Act, 2013 through an earmarked bank account, and accordingly, no unpaid dividend remains outstanding as on the date of signing this audit report.

4. We draw attention to **Note 2.46** to the financial statements which describes the issuance of 12,43,432 warrants convertible into equity shares to the Promoter and Promoter Group, approved by the Board and shareholders during FY 2025-26. The in-principle approval from NSE was received on April 10, 2026, and the warrants were allotted on April 23, 2026, upon receipt of 25% of the subscription consideration. Since the consideration was received and the allotment was made subsequent to March 31, 2026, the transaction had no impact on the financial position of the Company as at that date. The issue is intended to fund the Company's working capital requirements.

5. We draw attention to the **Note 2.48** that the Company has not maintained an audit trail (edit log) feature in the accounting software used for maintaining its books of account, as required under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for the period under audit. Consequently, we are unable to comment on the completeness and operability of the audit trail feature in accordance with the said requirements.
   Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

We draw attention to the **Note 2.30** of the Notes to Accounts of the Financial Statement which highlights the changes in the number of weighted average equity shares considered for calculation of basic earnings per share for the period ended 31st March 2026.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business

Responsibility Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledge user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of or works and to evaluate the effect of the any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

K.K. MANKESHWAR & CO. CHARTERED ACCOUNTANTS NAGPUR

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Virtual Galaxy Infotech Limited** as of 31st March 2026 in conjunction with our audit of the Standalone financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

K.K. MANKESHWAR & CO. CHARTERED ACCOUNTANTS NAGPUR

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
